Dear Sir,

I am providing a "double-spaced" substitute specification of the above mentioned application. I am doing so since I believe the original specification was single spaced. I am also providing a check for \$42.00 to cover the cost of the 2 independent claims over 3, as per notice from your office dated 03/19/02 (copy enclosed). The notice also requested that I submit substitute drawings since more than one figure was present and each figure was not labeled "Fig" with a consecutive Arabic numeral. To confirm that I was resubmitting the same Drawings as in the Original specification, I had requested via a telephone call, that I be sent Fax copies of the drawings. These have yet to be received. For this reason, I am petitioning for a one month extension of time to meet this requirement, under 37 CFR 1.136(a). As a small entity I believe the fee is \$65.00. A check for this amount is also enclosed. If any further information is required I can be reached at 626 799-4500.

Sincerely,

W. John Martin
